

The Manji Community Tech Club is a great way to get savvy with technology

NEWSLETTER - May 2018

Thank you for your participation in our senior's technology club, we trust that you are enjoying your learning experience, and hope that we continue to progress in a supportive manner.

We like to keep you up-to-date with our term timetable, so here is an overview of our upcoming lesson plan for your information.

To ensure the financial sustainability of Manjimup CRC Tech club, we have commenced a partnership with SWADE (Seniors West Australian Digital Expansion).

Our aim is to sign up 24 members, as this will enable an application for funding that can provide resources and equipment, and to keep membership fees at a minimum.

- Publisher How to create a pamphlet, or get ready to publish your own memoirs that you can leave to your family, and more
- Photos make a collage with PUBLISHER
- Digital Transfer old photos into digital images to create your own
- Images album
- Excel what it can do for you

Our staff and dedicated volunteer tutor, are here to support you on your journey of discovery into technology, and we are proud to see your confidence improve.

New members welcome, come join the fun!

Tuesday at 10am till 12pm or Thursday 10.30 am till 12.30 pm.
